

## E-invoicing

As a Karlskronahem tenant you have the possibility to pay your rent in several different ways. One easy way is to pay your rent by using e-invoicing. More and more people are discovering the advantages of paying bills by using digital and electrical devices and if you also want to receive your invoice electronically, you just have to apply for it via your internet bank.

There are numerous advantages by using e-invoicing:

- You don't have to stand in line at the bank
- You don't have to send in envelopes to your bank with invoices
- Everything is environmentally friendly without paper, print or transports
- All the payment information, including the long OCR-number, is already filled in
- It's easy to contact us from the e-invoice. Just click the link to our webpage or the email address that's included

The banks that are using e-invoices:

- Swedbank and Sparbankerna
- Nordea
- Danske Bank
- Handelsbanken
- SEB
- ICA Bank
- LF Bank
- Skandiabanken
- Sparbankerna Öresund och Syd

We often use our invoices to inform you about different things and you will always find the same information on your e-invoice.
